JUNIOR CYBERSECURITY PROFESSIONAL

PROFESSIONAL SUMMARY

Currently I am a bachelor's degree student pursuing Computer Science. I have invested heavily in cybersecurity since its my area of specialisation. I have various cybersecurity certificates. Cybersecurity is not just a career to me, it's my passion. I enjoy finding challenging problems that need creative solution.

PROJECTS AND VOLUNTARY ACTIVITIES

Bug bounty
July 2025
Meanwhile doing the ethical hacking course, I learned bug bounty programs and I'm practising on them to make money by finding vulnerabilities in systems.

Pen testing a website
December 2024
I carried the task of securing our Clubs website where I served as the Vice Chair of the Club. I did it voluntarily because I wanted the best for our club and besides got the opportunity to test my skills.

SKILLS

- Vulnerability Management
- Threat Intelligence
- Programming
- Network Security
- Analytical Thinking
- Problem Solving
- Teamwork
- Time Management
